2.134(a)

Contingency planning.

There was no written contingency plan available at time of this inspection. Failure to have a written contingency plan can result in lack of readiness for emergencies or disasters which could impact animal health and well-being. Dealers must develop, document, and follow an appropriate plan to provide for the humane handling, treatment, transportation, housing, and care of their animals in the event of an emergency or disaster.

Correct by 02/10/2023.

3.8

Exercise for dogs.

A written exercise program that is approved by the attending veterinarian was not available for inspection. An exercise plan is necessary to ensure that dogs are provided with adequate space and opportunity for exercise for their health and well-being. Dealers must develop, document, and follow an appropriate plan to provide dogs with the opportunity for exercise, and the plan must be made available to APHIS upon request.

Correct by 02/10/2023.
