Type: ATTEMPTED INSPECTION

Date: 11-MAY-2023

2.126(b)

Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 8:30am-9:00am on May 10, 2023. Contact attempts were initially: honking, knocking and leaving a voice message on phone number provided. An on-site building contractor indicated that they had moved. I finally made contact with licensee to find out when they are usually at this site.
