Type: ROUTINE INSPECTION
Date: 20-DEC-2023

3.7(c)

Compatible grouping.

Three puppies that were born on October 19th 2023 were being housed with two adult Dachshunds that were not their dam or foster dam. Housing puppies with unrelated adults is a risk to the puppies welfare because they could be injured by the older dogs or the older dogs could restrict their access to food and water.
Puppies may not be housed with adults that are not the dam of foster dam prior to 4 months of age.
Correction Date: December 21st, 2023

This inspection and exit interview were conducted with a facility representative.
