#### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1:30 pm on 6/3/2024. The inspector attempted to contact the licensee/registrant by knocking on house door, honking horn, waiting 30 minutes ( no phone available to leave message). Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
