#### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:48am on May 3rd, 2024. The inspector knocked on multiple doors of the home, honked the car horn, called into the barn next to the home, and waited 30 minutes.

Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.

This is the first attempted inspection.
