**Access and inspection of records and property; submission of itineraries.**

A responsible adult was not available to accompany APHIS Officials during the inspection process at 3:00 pm on 6/26/2024. The inspector attempted to contact the licensee by knocking on the door, calling phone numbers on file and leaving messages, and spoke to a family member who stated the licensee would not be available for inspection. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
