Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:15am on Friday, May 3, 2024. The inspector attempted to contact the licensee by knocking on doors at the facility and calling the number on file. Both attempts went unanswered. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
