Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 12:35 pm on 8/7/2024. The inspector attempted to contact the licensee by knocking on the door and calling a facility representative who stated no one was available today for an inspection. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
