Environment enhancement to promote psychological well-being.

The facility is providing daily enrichment and works to socialize their birds, however a written program of environmental enhancement for birds was not available for inspection. A written environmental enhancement plan that is approved by the Attending Veterinarian is required to be available and following the plan helps promote birds' overall wellbeing. Ensure to work with the Attending Veterinarian to develop an approved environmental enhancement plan.

***Correct by 11/30/2024.

This inspection and exit interview were conducted with facility representatives.
