2.126(b) Repeat

Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 3:00 pm on 12/4/2024. The inspector attempted to contact the licensee by knocking on the door, speaking to a family member who stated the licensee would not be available for inspection, and calling the phone number and leaving a message. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
