Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:20 to 11:50 a.m. on 23 JAN 24.

Upon arrival at the facility I honked my horn and called the contact number provided but was unable to leave a message. I then sent a text message to the contact number. I waited 30 minutes and departed.
