#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:08 AM on 16-October-2024. The inspector attempted to contact the licensee by knocking on the door of the facility and calling both phone numbers on file. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
