Veterinary care for dogs.

Part of the adult dogs (17) had their physical exams done by the attending veterinarian (AV) in February 2024; however the remainder of the adult dogs are overdue for their annual physical exam. Within every 12 months, a complete head to tail physical exam of each dog by the AV is required and helps ensure each dog is in good health. Ensure that the remaining adult dogs get their physical exams by the AV and maintain a record of the results.

***Correct by April 26, 2024.
