#### 2.50(a)(2)

##### Time and method of identification.

The licensee does not have official identification assigned to one litter of 2 American Eskimo puppies born on 25-July-2023. Identification of each puppy is necessary for APHIS officials to identify each puppy and trace their movements. The licensee must identify each puppy under 16 weeks of age by an official tag, a distinctive and legible tattoo approved by the Administrator or a plastic-type collar acceptable to the Administrator which has legibly placed thereon the required information or a cage card with all required information.  
To be corrected by: 14-September-2023

This inspection and exit interview were conducted with the licensee.
