Requirements and application

This was a search inspection conducted to determine if regulated activity is being conducted by this facility. On March 1, 2022, this facility owner was contacted by the USDA inspector by phone asking if he had puppies for sale. The owner stated he did and gave available puppy information by phone. A second USDA inspector from several states away contacted the owner later on March 1, 2022 and asked if a puppy could be shipped by air if purchased from the online advertisement used by the owner to sell puppies. The owner told that USDA inspector that shipping by air could be arranged for an additional fee.

On March 2, the USDA inspector visited the facility and spoke to the owner. The owner admitted to having at least 6 adult breeding dogs on his premises and to selling puppies from these dogs online. He also admitted to selling puppies sight unseen and shipping at least some of these puppies.

This activity requires a USDA license.

No regulated activity is permitted until a USDA license is obtained.

A USDA license application packet was sent to the facility along with this report.

This inspection and exit interview were conducted with the facility owner.
