Veterinary care for dogs.

** The facility does not have a current program of veterinary care for dogs. The last program of veterinary care for dogs was dated 05-2023. The facility must develop a program of veterinary care for dogs in writing and signed by the attending veterinarian. The program must include all preventative vaccines to include rabies, all parasitic preventions including testing for internal parasites. A hand on head to tail exam by a veterinarian and a site visit not less than once every twelve months. Also include methods to ensure healthy hair coats, healthy and clean eyes, ears, skin and teeth. All licensees with regulated dogs are required to have a program of veterinary care for dogs to provide for the health and well-being of the dogs. To be corrected by: 11-08-2024.

This inspection and exit interview were conducted with licensee.
