Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany the APHIS Official during the inspection process at 1:20pm on Tuesday, November 26, 2024. The inspector attempted to contact the licensee by knocking on the door and calling the phone number on file. The inspector waited approximately 30 minutes in the driveway before leaving. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
