Contingency planning.

The facility does not have a written contingency plan which meets the requirements of the Animal Welfare Act.

Contingency planning is essential for protecting animals in the event of emergencies. Correct by 11/16/22 by documenting a contingency plan in accordance with the requirements in the Animal Welfare Act.

3.13(a)(2)

Veterinary care for dogs.

64 adult dogs have not been examined by the attending veterinarian in the past 12 months. Annual physical exams are important to ensure that dogs are healthy and fit, and to identify any medical problems or issues that could be causing discomfort or pain. Correct by 12/16/22 by having each dog get a head-to-toe physical examination by the attending veterinarian.

This inspection and exit interview were conducted with the owner.
