Requirements and application

There was a major change of substantial control or ownership of this business which occurred in late July 2023. The licensee sold this business location with covered animals to new ownership. APHIS Animal Care was not notified within at least 90 days of this change as required. It is imperative that APHIS Animal Care is notified and has accurate records regarding ownership conducting regulated activities in order to enforce the Animal Welfare Act. A licensee must notify Animal Care no fewer than 90 days and obtain a new license before any change in the name, address, substantial control or ownership of business or operation. Additionally, if the licensee wishes to voluntarily terminate the license, they must do so in writing to the Deputy Administrator.

Correct by close of business 12/04/2023.

This inspection and exit interview were conducted with a facility representative.
